

Husain Vohra Testimonial

1. Increased Confidence:

Previously I had a stage fright which made me feel frightened and now I performed in a maaraaz recently and explained everything with a lot of confidence and without any hesitation.

2. Better Observation:

Now I can observe all the things very minutely with precise details like observing a watch in detail. I could not do this previously.

3. Richer Language:

Now I can imagine and write on a topic very well with good quality thinking using my imagination which was not possible before..

4. Improved Concentration:

Previously I would get distracted very fast but now I can concentrate on one subject for full 1 hour without any disturbance. Now I can also sit in one place and study.

5. Quicker Learning:

My learning capacity has become very fast which makes it easy for me to learn the concepts well like in Geometry. My learning was not so fast before.

6. Increased Emotional Strength:

Earlier I used to get disturbed very easily on small things and my mind could not stay stable for a very long time. I used to get angry very easily on little things and would also shout on my parents for it before. I used to think of leaving everything and going far away and this thought use to kill me every day, but now I can connect to all the things in my daily routine. But now I can control my anger much better.

7. Better Mathematics:

I can now understand geometry concepts much more easily than before. My overall mathematics has developed a great deal.

8. Higher Level of Interest:

Previously I use to study only my favourite and easy subjects but now I have developed interest and now I study the difficult subjects also equally.

9. Feel more relaxed:

Now I feel more relaxed overall after attending the sessions at Express Learning which makes me feel really good.
