

## Juzer Chadarwala Testimonial

(Saifi High School)

**1. Quicker Learning:**

Earlier I would take an hour's time to complete learning a chapter but now I can do that in just 15 minutes due to my quicker learning.

**2. Better Academics:**

Previously I scored 63% in my Madrasa exams but recently I scored a staggering 95% in the current exam. I scored 28 out of 30 in the recent Mathematics test but earlier I scored only 12 out of 30.

**3. Increased Confidence:**

Earlier I used to hesitate in speaking to my teacher about anything but now I can confidently speak to any teacher I want without any kind of hesitation.

**4. Improved Concentration:**

Before I used to sit for studying but I could not concentrate at all as my mind would wander every 5 minutes. Now I can concentrate for 90 minutes together at a stretch.

**5. Increased Memory:**

I often used to forget whatever was told by my parents earlier, like I would handover something given to me to someone else whom I was not supposed to give because I would forget everything but now my memory has increased tremendously. Earlier I used to forget my studies in just 2 days but now I can retain whatever I have learnt in my studies for more than 3 months.

**6. Improved Sports:**

I can now swim much faster than I could earlier due to my training at Express Learning.

**7. Better Mathematics:**

Earlier I used to get confused in division and I would get a wrong answer frequently but now I have understood it perfectly and therefore I don't make any mistakes. My overall understanding of mathematics has improved to a great extent.

**8. Richer Language:**

I can now speak in Hindi very fluently but earlier I would find it very difficult in doing that. My vocabulary and pronunciation in English has developed to a great extent and therefore I can speak English much better than before.

**9. Faster Reading Speed:**

I can now read one chapter in just 10 minutes but earlier it used to take me as long as 30 minutes to complete the same.

**10. Deeper Focus:**

Earlier I would think about playing even when I was studying but now I can focus completely on my studies without thinking about anything else.

**11. Higher Level of Interest:**

I am now very interested in learning karate but earlier I would hate going to the class.

**12. Heightened Observation:**

I can now observe minute things perfectly as recently I observed that a dangerous insect had entered our house which nobody else in my house could notice.

**13. More Active:**

I have now become more active physically and therefore my team wins in physical training due to my increased activeness.

**14. Greater Creativity:**

I have become much more creative than I used to be earlier as my creativity has increased tremendously as I keep on trying new things with the motor in my car and also learn a lot from it.

**15. Improved Sports:**

I can now run very fast and therefore I came second in a lemon and spoon race in my school. This was not possible before.

**16. Greater Interpersonal Skills:**

Earlier I would hesitate in talking to any shopkeeper but now I can speak to them very confidently and buy whatever I want from them.

**17. Expanded Self Esteem:**

I used to feel that I will not be able to swim properly but after my expanded self-esteem I felt good from inside and therefore I won 3 gold medals in the swimming competition.

**18. Enhanced Intuition:**

I often feel that this is going to happen and it happens as I feel. Recently I felt that my teacher will leave us 10 minutes early for the break and she actually did that.

**19. Better Control of Emotions:**

Earlier I used to get angry very fast but now I can control my anger. I also used to feel hurt very frequently as soon as somebody said something bad to me but now I can control my emotions and therefore I have become very strong from inside.

**20. Stress Free studies:**

Earlier I used to be very tense during examination but now I am completely tension free thanks to Express Learning.

Signature of the student.
