

## Mustafa Golwala Testimonial

(Learners' Academy)

- 1. Improved Concentration:**  
I can now concentrate almost three times compared to what I could earlier as this power has increased to a great extent which helps me a lot in my studies.
- 2. Increased Memory:**  
My memory has developed tremendously as I can memorize in just half of the time which I took earlier. I memorized one answer in 20 minutes earlier, but now I can do it in just 10 minutes.
- 3. Better Mathematics:**  
I can now understand mathematics much better than I could earlier. My mistakes have also reduced drastically.
- 4. Richer Language:**  
I can now speak English very fluently which was not possible earlier. I can now also write my English and Hindi answers better than before as my vocabulary has increased.
- 5. Faster Reading Speed:**  
Earlier it used to take me an hour to read one chapter but now I can do it in just 30 minutes along with proper understanding.
- 6. Deeper Focus:**  
I can focus more on the ball while playing cricket as earlier I would get out very fast while batting but due to my increased focus I can observe the ball better and can bat for a longer period of time. I can also hit better shots due to my improved focus.
- 7. Increased Confidence:**  
Earlier I used to feel afraid of giving my oral exams but now due to my increased confidence I can appear for any oral exam very confidently without any fear.
- 8. Better at Sports:**  
I can now play the game of carrom very well. Previously I would fail to get the queen and then I would stop trying for it. My overall game has developed very much.
- 9. Quicker Learning:**  
It used to take me almost 20 minutes to learn one big answer but now I can learn it in just 10 minutes.
- 10. More Cheerful:**  
I have now become very cheerful and therefore I am always happy with whatever happens with me but earlier it was not the opposite.

**11. Improved Participation:**

I can now participate in dancing in a much better manner as my participation skills have developed greatly and therefore I now enjoy dancing better than before.

**12. Better Creativity:**

My drawing and painting has improved immensely and therefore I can do it much better than I could earlier.

**13. Better Handwriting:**

My handwriting has improved very much as I can now write in joint handwriting in a much better and an easier way than before.

**14. Interpersonal Skills:**

I can now make new friends as I have opened up compared to what I was before due to my increased interpersonal skills

**15. Expanded Self Esteem:**

I feel very good about myself from inside and therefore I try to do new things which I have never done before.
