(SNDT College, Juhu)

- 1. Stress Free Studies:**
Earlier I used to take extreme stress about my studies but now I am much more calm even during my exams. Stress was my biggest drawback as I would be in extreme stress just thinking about the examination but now I just think of one subject at a time and therefore I remain cool and calm.
- 2. Faster Grasping Power:**
I can now learn things very fast due to my increase grasping power as earlier it used to take me 15 minutes to memorize one answer but now I can do it in 8 to 10 minutes only.
- 3. Enhanced Intuition:**
My intuition has increased to great heights as recently when we went out of station my intuition told me that it would be egg curry for breakfast and it actually happened that way.
- 4. Improved Concentration:**
I can now learn much faster than I could earlier due to my increased amount of concentration. It takes less than half the time to do the same thing.
- 5. Greater Creativity:**
I feel that my creativity has increased to new heights as earlier I lacked behind in it.
- 6. Greater Interpersonal Skills:**
Earlier I was an introvert and would hesitate in being social but now I have changed completely and therefore I interact with more number of people.
- 7. Better Mathematics:**
Recently I solved a brain game which required mathematical calculation and I noticed that my mental mathematics has developed to a great extent after coming to express learning.
- 8. Faster Reading Speed:**
I can now read faster than I could earlier along with proper understanding.
- 9. Deeper Focus:**
Earlier I used to worry about all the papers remaining for the examination but now I only focus on the next paper without thinking about the others.
- 10. Increased Confidence:**
I have now started participating in many activities due to my increased confidence which makes me feel that I will be able to achieve this but earlier it was not possible.

11. Higher Level of Interest:

After coming to Express Learning my interest in the subject of science has risen very high and I am much more curious to know more about it.

12. More Active:

Until now I felt very lazy, but after joining Express Learning, whenever my mother tells me to do any work I do it even if I don't like doing that work due to my increased activeness.

13. More Cheerful:

My stress level has gone down to a great extent and therefore I have become very cheerful.

14. Heightened Observation:

Recently I went for a trip and observed all the lotus flowers perfectly. Usually lotus flowers are muddy and difficult to observe but I could observe them very easily.

15. Expanded Self-Esteem:

My stress level has gone down and therefore I feel good about myself as my self-esteem has expanded manifold.

16. Reduced Over Thinking:

Earlier I used to think a lot about very small problem but after coming to Express Learning that has reduced tremendously. Now I only live in the present and think about the present without thinking more about the future.
