

## Nafisa Poonawala Testimonial

(Taiyebiyah Girls High School)

**1. Quicker Learning:**

I can now learn all my answers much faster than before. I can also memorize the Holy Quran much faster than before after this training. Before it use to take a lot of time. For Example: To learn one page of the Holy Quran, it use to take almost 45 minutes. Now the same can be learnt in 25 minutes.

**2. Greater Creativity & Imagination:**

My imagination power has become very strong now. If my mother gets new clothes for me, I can clearly imagine how it would look on me. Previously I could not imagine so strongly. This strong imagination has also made me a lot creative than before.

**3. Sharper Memory:**

I can now memorize the answers in my school by just reading them twice or thrice. This was never happening before.

**4. Improved Concentration:**

I use to get distracted very fast due to my low concentration level before as I could only concentrate for 5 minutes on anything. After this training, I can now concentrate for 1 hour at a stretch.

**5. Sharper Intelligence:**

I have become very intelligent as recently I scored **17 out of 20** in my Mathematics paper. Earlier I used to score only 19 of 50.

**6. Better Mathematics:**

My calculations used to take a lot of time before. Now I have achieved unique things in this subject as my calculations have become much faster.

**7. Richer Language:**

My understanding in Marathi has increased as I could not understand it at all. In English now I can frame sentences which was not the case before. And in Hindi also I can now use more difficult words in my answers. This was not happening before.

**8. Faster Reading Speed:**

I could read one page in 3 minutes until now. But this training has doubled the speed as I can read the same in only 1.5 minutes.

**9. Increased Confidence:**

Previously I used to feel very shy while talking to my teachers. After my increment in my confidence, I can talk confidently and firmly to my teachers without any hesitation.

**10. Higher Level of Interest:**

I hated reading books before and would always try to avoid it. Now I have developed interest in reading books and I am currently reading the book "**Cat and the Mouse in a haunted house**".

**11. More Participative:**

Some time back I did not like to participate in sports nor were my teachers interested in taking me. Now I have become so participative that even my teachers want me to be a part of the sports team.

**12. More Cheerful:**

If I play any game and if I was on the losing side, then I would always be sad about that. But once I have become more cheerful thanks to Express Learning, now my attitude is to enjoy the game without thinking about winning or losing.

**13. Better Academics:**

Before joining this training, I used to score between 60%-70%. But now I score between 70%-80% which is a great improvement.

**14. Greater Creativity:**

I did not like art and craft before. Now I have developed interest in it and my drawing as well as painting has improved a great deal. It is much better than what it used to be earlier.

**15. Better Sports:**

My speed of running has become quicker after coming here than what it was before.

**16. Expanded Self-Esteem:**

While memorizing the Holy Quran, in the midway I felt of quitting it as it seemed very difficult. But once my self-esteem was raised, I have become more positive towards and I believe that I can achieve my goal one day.

**17. Enhanced Intuition:**

My sixth sense has become stronger as in my school sports I get an intuition about which team is going to win and that always happens in reality.

**18. Better Control of Emotions:**

Until now, I used to get angry on little things. But after this transformation I can let go of things without getting angry.

**19. Stress Free Studies:**

For the exam preparation, I always used to study one week before due to the pressure. But once I have become stress free, I start studying only 2 days before the exams.
