1. Better Academics:

Previously before this training, I use to score around 38-42%. But Now I score around **85%** in my exams. My recent final exam marks- **Physics- 80/80, Chemistry- 80/80. Biology- 78/80.**

2. Increased Memory:

I can now memorize all answers much faster than before. Earlier I use to take 45 minutes to learn the long answers. Now I can do the same thing in 15 minutes.

3. Greater Confidence:

Now I can speak on stage much better than before. I use to stumble and speak because of being nervous. I feel much more confident now and I can speak on stage without stumbling.

4. Improved Concentration:

Earlier I use to day dream a lot because of which I could not concentrate. Now I can concentrate in my class for 30 minutes at a stretch without any distraction.

5. Faster Reading Speed:

In Hindi, I use to stumble on every word, but that has gone away now. In English, I can read 20 pages in 10 minutes with proper understanding. This was not possible before as I use to slowly read and then understand which would take a lot of time.

6. Sharper Intelligence:

I feel that I have become more intelligent because I recently solved 5 Mathematics sums which were not even my syllabus. It really made me feel good from inside.

7. Quicker Learning:

My grasping power has accelerated as I can cope up with studies much better. Recently I could not attend school for 2 months due to Jaundice. Despite of missing school, I could cope up with the studies and scored 68% in my exams.

8. Greater Creativity:

I was not that good in art and craft. But after this training I have become a lot better as I can paint better than before.

9. Richer Language:

Earlier I was not good with Hindi and Marathi. Now it has become much better as far as the reading, writing and understanding is concerned. I am learning French and Gujarati now.

10. Deeper Focus:

During the religious festivals, the loudspeakers would really affect me and I could not study. But because of the training here, I can now completely focus on my studies despite of the noise till late night 11pm.

11. Better Sports:

I liked football, but was not that good before. Now after this wonderful training, I have marked many changes in me during the match. My overall game has improved immensely.

12. Better in Music:

I learned to play the Piano and the Guitar. Earlier I did not like music that much. This program has helped me develop the interest and also the skill to play the instruments.

13. Increased Emotional Strength:

I use to be sad most of the time due to my marks. Now I control my emotions very well and don't get affected by these things.

14. Better Mathematics:

My calculations in Mathematics have really speeded up. Earlier I was weak in this subject and use to take a lot of time to solve problems.

15. Higher Level of Interest:

Before this training, I never use to take interest in anything. Now I have developed interest for studies, for music, for football and many other things in my schedule.

16. Greater Interpersonal Skills:

I have become more interactive with people without hesitation. Earlier I use to feel that will the other person react to my conversation? But now all the hesitation has gone away.

17. Expanded Self Esteem:

The way I feel about myself has really changed. I like myself more now. Earlier before joining Express Learning, I use to feel very negative- like I can't do it. Now I feel that I can do it.

18. Heightened Observation:

I was not a keen observer before. Now I can observe things very minutely. Even a small change in the painting which I have seen earlier can be noticed by me easily.

19. More Active:

Previously I was very lazy and did not like to be a part of any activity. With the help of the training here, I have become so active that I joined my school football team and now do play football every day.

20. Greater Participation:

I can now answer confidently in my class. Earlier I use to feel shy and hence would never answer even if I knew the answer.
