

## Batul Champeli Testimonial

(Taiyebiyah Girls High School)

1. **Improve Concentration:**  
Earlier I tried everything to concentrate but still my mind would wander in the class when the teacher was teaching. I would only be able to concentrate for 4 to 5 minutes before but now I can concentrate for 30 minutes together which is much more than before.
2. **Increased Memory:**  
I can now memorize and recall whatever I have learnt few hours before the exam also as earlier I would not be able to recall whatever I learnt at the last minute. I can now remember mobile numbers of people which I have memorized long ago and I can also remember passwords of many different accounts of my family which I memorized long ago. Before coming to Express Learning this was impossible.
3. **Sharper Intelligence:**  
I can now give answers to my teachers in class even if they are not from my syllabus due to my increased intelligence. Earlier this was not possible.
4. **Better Mathematics:**  
My speed of calculation has increased tremendously as earlier I used to add or subtract on my fingers but now I can do it directly. My understanding of the subject has also increased to a great deal. My interest towards it has also risen to great heights as earlier I would hate studying mathematics but now it is my favorite subject.
5. **Richer Language:**  
I can now speak the English language much more fluently than I could before as earlier I would stumble while speaking it but now it has completely changed. My written language in Hindi, English and Marathi has improved a great deal as I can frame my answers much better than before.
6. **Faster Reading Speed:**  
My reading speed has doubled as earlier it used to take me 10 minutes to read one page but now I can do it in just 5 minutes.
7. **Deeper Focus:**  
Earlier I could not focus on what I am studying even if my book was in my hand my mind would be somewhere else but now I can focus continuously on what I am studying.
8. **Increase Confidence:**  
Earlier I used to feel shy and therefore I would never ask any questions to my teacher in front of the class even if I had any doubt. Now I can do that very easily.
9. **Higher Level of Interest:**  
I am now more interested in doing my studies as my concentration power and memory has increased and therefore I can finish more in less time.
10. **Quicker Learning:**  
I can now learn 1 short answer in 2 to 3 minutes. Earlier it used to take me as long as 10 minutes to the same thing.

- 11. Better Academics:**  
Earlier I used to score 10 or 11 marks out of 20 in my unit test but after coming to Express Learning I score 18 or 19 marks in the same.
- 12. More Active and Participative:**  
I used to feel lazy in participating for something which I did not know but now that activeness has come inside me and I want to participate in all the activities in my school even if I don't know them properly.
- 13. Higher Creativity:**  
I can now draw much more creatively than I could earlier as there would be nothing unique in them before but now every drawing that I draw is extremely creative and unique.
- 14. Better at Sports:**  
I can now play the game of kho-kho much better than before as my overall game has improved immensely.
- 15. Great Interpersonal Skills:**  
Earlier I was a complete introvert and would never start a conversation with a stranger but now I have become an extrovert and therefore I can talk and make friends with anybody and everybody.
- 16. Heightened Observation:**  
Earlier I would not observe which clothes the person I met was wearing but now I not only observe other's clothes but also remember which clothes they had worn. I can also observe minute things in a movie which are wrong and therefore I can pinpoint mistakes of the movie to everyone.
- 17. Expanded Self-Esteem:**  
I now feel that I can do any activity that is given to me in school due to my increased self-esteem as earlier I felt that I will not be able to do it at all.
- 18. Enhanced Intuition:**  
After coming to Express Learning I get a feeling from inside that this thing will happen and it actually happens, I usually have a habit of travelling without a ticket in the local train but one day I got an intuition that today I will be caught and therefore I bought the ticket and I actually got caught by the ticket checker. I also got an intuition that my calendar will be checked in school tomorrow and it actually happened that way.
- 19. Better Control of Emotions:**  
Earlier when somebody would say something bad to me I would feel hurt and I would stop talking to that person. Now my emotions have come under my control and therefore I am unaffected even if somebody tells me something bad.
- 20. Stress Free Studies:**  
Earlier I used to take a lot of stress for studies to the extent that I would stop doing it and ask my mother to complete all my homework. Now I am completely relaxed and also independent as my stress level has gone down.
