(St. Mary's High School)

1. Improved Concentration:

Previously I could not concentrate on a particular subject for more than 3 to 4 hours. Now I can concentrate on a subject for 8 to 10 hours

2. Improved Spellings:

Before joining this training I was very bad in spellings in Hindi and Marathi but now I get all the spellings correctly.

3. Better Maths:

Now I can understand my Maths much better than before which also helped me in scoring more marks in the exam.

4. Improved Marks:

I use to get very less marks in all the languages. I use to get only 60%. This year in my boards I scored 76% in all my languages. **Maths- 95/100, Social Studies- 94/100, Science- 88/100**

5. Increased Reading Speed:

Earlier at an average I could read only one page in 2 minutes along with mistakes but now my speed has accelerated as I can read two pages in 2 minutes without any mistakes.

6. Higher Confidence:

Earlier I used to only participate in some of the extra-curricular activities but now I participate in mostly all extra-curricular activities as I feel more confident about myself now.

7. Better Handwriting:

My handwriting was really bad and untidy. Now it has become very neat and clean which is much better than before.

8. Improved Speaking Skills:

Previously I used to speak very shyly with others. I can speak openly and with confidence with others.

9. Enhanced General Knowledge:

I was not interested in the field of General Knowledge at all. After joining this class, my level of interest increased to such an extent that I started reading newspapers and magazine articles.

10. Richer Languages:

I did not like studying languages also. But now I have developed more interest in it and plus my languages have become a lot better than before.

11. Sharper Intelligence:

My intelligence in applying concepts in studying has enhanced tremendously. Earlier it was difficult to apply the concepts.

12. Quicker Learning:

I use to consume a lot of time in studying Marathi. Now I can learn it much faster and it saves a lot of my time.

13. Greater Creativity:

I used to take my parents help in all my school projects. Now with my greater creativity, I have become independent and I make all the projects beautifully on my own.

14. Improved Sports:

My skills in Football and Basketball have increased a lot. Earlier I did not play that well.

15. Heightened Observation:

I couldn't remember things for a long time once I had seen it. But with Express Learning, I can remember everything which I see precisely and for a long time.

16. Expanded Self Esteem:

I use to feel very low in sports, so would not participate in any sport. Now I feel much better about myself and I also won a couple of prizes in sports this year.

17. Enhanced Intuition:

My intuition has enhanced tremendously. For example- This year in my boards I got an intuition about certain chapters which will come in the exam and they actually came in reality.

18. Sharper Memory:

Earlier I use to study only one month before the exam. But with my memory sharpened, I could remember my studies which was learnt 4 months ago.

19. Greater Interpersonal Skills:

I was extremely shy and did not talk to anyone. Now I can talk confidently with everybody including strangers.
