

Aliasgar Mithaiwala Testimonial

(Diamond Jubilee)

- 1. Faster Reading Speed:**
I can now read two chapters in 30 minutes time but earlier it used to take me 60 minutes to read the same.
- 2. Better Academics:**
Earlier I scored around 60% marks in my examination but now that has increased tremendously to 80%marks.
- 3. Improved Concentration:**
I can now concentrate for 45 minutes at a stretch but earlier I would get distracted in 5 minutes time.
- 4. Increased Memory:**
I can now remember names of all the people I have met earlier. I can also retain whatever I have learnt for almost 1 month's time without revision but earlier I would forget it in 2 day's time.
- 5. Sharper Intelligence:**
I can now do multitasking. I can listen to somebody and play on my mobile together but earlier this was not possible.
- 6. Better Mathematics:**
Earlier I found it difficult to remember tables but now I can do it very easily and my marks in mathematics have also increased very much as I scored 80% in my recent maths exam and prior to that I scored 60% marks out of hundred.
- 7. Richer Language:**
I can now speak English more fluently than I could before. My understanding in Hindi and Marathi has also increased a great deal.
- 8. Deeper Focus:**
I can now focus on my studies much better than before as earlier I would just feel like playing all day without any studies.
- 9. Increased Confidence:**
Earlier I would not take part in any extracurricular activities in my school but now I feel much more confident and therefore I can participate in these activities.
- 10. High Level of Interest:**
I was never interested in reading books but now I feel that interest in reading books even if there are no pictures in it.

- 11. Quicker Learning:**
I can now learn one answer in 5 minutes time but earlier it used to take me as long as 20 minutes to learn the same answer.
- 12. More Active:**
Earlier I used to sleep in the class and therefore feel very lazy but now I am alert throughout the day in my class due to my increased activeness.
- 13. Enhanced Creativity:**
I feel that I have become much more creative and therefore I can also paint my drawings much better than before. I can also think much more creatively.
- 14. Better at Sports:**
Earlier I would always stand last in racing but after coming to Express Learning I recently stood third in my class race.
- 15. Great Interpersonal Skills:**
I recently changed my school and I found out that nobody was talking to me and I would remain alone but after coming to Express Learning I made new friends due to my enhanced interpersonal skills.
- 16. Heightened Observation:**
I can now observe very small things in people like I can come to know if a person is not in good mood or the other way around.
- 17. Expanded Self-Esteem:**
Earlier I used to feel that my friends will laugh at me if I take part in any competition but now I am unaffected with all that and I can take part in any competition.
- 18. Enhanced Intuition:**
My teacher told us that she will take a surprise test anytime in the next week and I predicted that she will take it on Wednesday and it actually happened that way.
- 19. Better Control of Emotions:**
Earlier I used to shout at my parents but now I can control my anger and therefore I have become more polite with them.
- 20. Stress Free Studies:**
Earlier I used to be very tensed about my studies to the extent that I would also get fever for it but now I am completely relaxed and stress free about my studies.
