(MSB Educational Institute)

1. Improved Concentration:

I can now concentrate much better than before and therefore I can think much faster than I could earlier. This helps me a great deal in doing more things in less time.

2. Better Mathematics:

I have improved a great deal in mathematics as my overall subject has gone to the next level as I can understand it much better than before. Earlier I used to hate studying Mathematics and it was a great problem for me but now I enjoy studying it with much more interest.

3. Better Academics:

I have now scored more marks in all my subjects compared to what I scored before. Earlier I scored 35 out of 80 in my Geography examination but now I scored 65 out of 80 is a great achievement.

4. Increased Memory:

I can now learn by reading it just twice or thrice. Earlier I had to read it several times to memorize it and therefore I can learn very fast. Earlier I would avoid learning long answers but now I can learn anything I want.

5. Sharper Intelligence:

We were given an assignment in school where we had to read a book from the Asiatic library and submit a presentation about it. Our team came first and it was all due to my sharp intelligence otherwise this would have not been possible.

6. Richer Language:

I can now speak English language better than before and I can also understand it better. My Hindi and Marathi has also improved to a great extent. I have started scoring more marks in them also.

7. Faster Reading Speed:

Earlier it use to take me almost 30 minutes to read one chapter but now I can do it in just 10 minutes. My fluency in reading has skyrocketed and therefore I can read faster with greater fluency.

8. Deeper Focus:

I can now focus on my studies continuously without getting distracted at a stretch but earlier this was not possible.

9. Increased Confidence:

I now feel good about myself from inside and therefore I feel that I can solve the Mathematics sums very easily unlike earlier when I used to run away from it.

10. Higher Level of Interest:

I am now more interested in studying all the subjects but before I used to hate History and Mathematics. Therefore my interest towards my studies has increased tremendously.

11. Quicker Learning:

My tuition teacher told me that I have started learning very fast and now I can use this as a tool to score more marks in my examination.

12. Greater Creativity:

I feel that I have become much more creative in whatever I am doing and all that has developed due to my training at Express Learning.

13. Better Sports:

I can now play the game of kho-kho and throw-ball better than before after coming to Express Learning as my skills have improved a great deal.

14. Greater Interpersonal Skills:

I can now talk fluently with new people but earlier it was very difficult. I can now make new friends very easily without any hesitation.

15. Heightened Observation:

Recently I went to Singapore and I noticed each and everything there in minute detail due to my enhanced observation skills.

16. Expanded Self Esteem:

I feel good about myself from inside and therefore I tell myself that I can do it. If others can than I also don't give up and try my best due to my greater self-esteem.

16. Enhanced Intuition:

Recently I felt that my class teacher will take a surprise test the next day and I prepared for it. It actually happened that way in reality as my intuition had told me.
