

Insiya Shah Testimonial

(Taiyebiyah Girls High School)

- 1. Improved Concentration:**
Now I can concentrate on my Quran for full 30 minutes. Previously I could concentrate only for 5-10 minutes and get distracted on my mobile phone.
- 2. Enhanced Memory:**
Now I can memorize the long answers very fast and can also remember them. This was not possible before.
- 3. Sharper Intelligence:**
Once in my class, our teacher asked us a question about which I had read in my 7th standard and I answered it correctly and everyone was shocked thinking that how could I remember this?
- 4. Richer Languages:**
In English and Hindi, I can speak in a better way than what I use to speak. Previously I could not speak so fluently the way I speak now.
- 5. Increased Confidence:**
From the past three years, I was not winning a single prize in my sports, but this year, I felt from inside that I will win and I came first in task race. This is the Confident thinking that I developed. This was not present before.
- 6. Higher Level of Interest:**
Previously during my free time, I use to only sit with my mobile phone, but now I feel like studying as it is important for me.
- 7. Improved Participation:**
I use to not participate in the various competitions, but I do participate in those competitions.
- 8. Better Marks:**
I scored an amazing 79% in my boards this year. In my prelims I had scored 68% so there was a vast difference and improvement in my marks. I also use to get only passing marks in my Science tests, but in the boards I scored a brilliant 76% for which I am very happy.
- 9. Improved Sports:**
Since I won a prize which was a clear indication that my sports have improved a lot. But the important thing is that I got an inspiration that I can win much more prizes now.
- 10. Expanded Self-Esteem:**
Before I had the thinking that I can't do it and won't be able to do it. I use to think that either I can go to college or do Quran hifz but not both. But now I am with a positive belief that yes both the things are possible.

11. Enhanced Intuition:

I previously use to think that I will fail in the subject of Science in my boards this year, but then I got an intuition that I will pass with flying colours and that happened in reality.

12. Greater Interpersonal Skills:

Now I can make friends easily as previously I use feel really scared while approaching anyone.
