

Amatullah Lokhandwala Testimonial

(National College, Bandra)

- 1. Better Academics:**
Earlier I used to stand 15th rank in my class but after coming to Express Learning I recently stood 5th in the class.
- 2. Improved Concentration:**
Earlier I could concentrate for only one hour at a stretch but now that has doubled and therefore I can concentrate for more than 2 hours at a stretch together.
- 3. Heightened Positivity:**
I am usually a person who says no for everything but after coming to Express Learning I have become much more positive. I recently agreed to appear in a BBA entrance exam which is very competitive due to my increased positivity as earlier I would say no for it.
- 4. Increased Memory:**
I can now learn my answers very fast and I can also retain them for a longer period of time like more than a week but earlier I would forget whatever was learnt on the very next day.
- 5. Sharper Intelligence:**
I feel that I have become much more intelligent in all my subjects especially in Mathematics which was my weak subject up till now but now I have improved drastically.
- 6. Sharper Listening Skills:**
I can now focus on whatever I am listening perfectly without missing anything out due to my sharper listening skills.
- 7. Faster Reading Speed:**
I can now read and understand one long answer in half an hour's time but earlier it would take me more than an hour to do the same.
- 8. Deeper Focus:**
I can now focus much more on my studies than I could earlier without getting distracted by any kind of distraction.
- 9. Increased Confidence:**
I can now answer in front of my entire class without any fear but earlier I was afraid of getting the answer wrong.
- 10. High Level of Interest:**
I am now much more interested in Accounts and Organization of Commerce but earlier it was the opposite.

- 11. Quicker Learning:**
I can now learn my studies very fast and in no time. I can learn more amounts of pages in very less time.
- 12. More Active and Participative:**
Recently I went to a function where they asked the audience to voluntarily come out and participate, nobody came ahead except me. I could do it only due to my increased participation which has developed at Express Learning as this was not possible earlier.
- 13. Greater Creativity:**
Recently I painted a picture for my mother and I realized that I can do it much more creatively than I could earlier.
- 14. Heightened Observation:**
I can now observe minute things across me which I would completely miss earlier before coming to Express Learning.
- 15. Expanded Self Esteem:**
I now feel very good about myself as I have become more positive and I keep on telling myself that "I will do it while studying."
- 16. Enhanced Intuition:**
I recently felt that my friend will get hurt on the right hand since I got hurt on the left hand and it actually happened the very next day.
- 17. Better Control of Emotions:**
I can now control my anger much better than before as I have become very positive.
