

Moiz Indorewala Testimonial

(Saifi High School)

- 1. Reading and writing has become faster:**
Before this program, I had a writing issue as I could not write fast. But after undergoing this training, my speed of writing has increased a lot.
- 2. Richer Language:**
Now difficult words can be read easily as previously I faced difficulties in reading such words.
- 3. Improved Concentration:**
Previously I could only concentrate on a subject for 10 minutes. Now after the development, I can concentrate for 30 minutes at a stretch.
- 4. Improved Memory:**
Now I can memorize things much faster than before. Previously I memorized 2 pages in 1 full day and now can remember 1 chapter in 1 day.
- 5. Quicker Learning:**
I could not be learn the long answers and it was becoming impossible for me to do it. Now I can learn them well and also learn them much faster.
- 6. Better Maths:**
I used to score very less in Maths, but now the marks have increased in my unit test.
- 7. Hindi has improved:**
Once I had to write an essay in hindi on a subject which I had never read, but I was able to write the essay really well.
- 8. Faster Reading Speed:**
Now my reading speed has increased as I can read more pages in less amount of time.
- 9. Improved Focus:**
Before this program, I would feel very bored whenever the teacher would come but now that has changed. I can focus on what the teacher teaches us in the class.
- 10. Increased Confidence:**
Previously while participating in sports, I use to feel very scared and hence would not participate. But now after this training, I feel like participating fearlessly without any hesitation irrespective of whether I win or not. This has happened because of my Increased Confidence.

11. Higher Level of Interest:

Earlier I did not like Madrasa subjects. Now I feel really interested in that and I recently scored 83/100 in that.

12. Greater Creativity:

Now there is a big difference in the way I use to draw and the way I draw now as my drawing has improved tremendously.

13. Better Sports:

My athletic performance has transformed after this program. Now I can run faster and my jumping has also become much better.

14. Greater Interpersonal Skills:

Now I can talk to people much more confidently which was not possible before.

15. Heightened Observation:

Recently we were taken to Ballard Pier to visit the Indian Navy Campus. After the visit when my teacher asked me about the observations, I could describe all of that perfectly. This has been the increment in my Observation.

16. Improved Self Esteem:

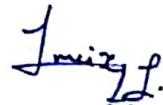

I use to feel low whenever I had to speak to my Marathi teacher about the Marathi elocution. I was not sure whether I would be able to speak in that elocution or no. Since my Self Esteem enhanced, I performed very well in that elocution and spoke on Mahatma Gandhi in the Marathi language.

17. Enhanced Intuition:

One day I thought that today the period will get cancelled and that actually happened. I also thought one day that our places will get changed and that actually happened in reality. This is the kind of Intuition that I developed.

18. Increased Emotional Strength:

My anger level has gone down a lot after this program. Previously I use to get angry a lot.
