

## Burhanuddin Khambaty Testimonial

(St. Theresa's High School, Bandra)

**1. Improved Concentration:**

My concentration has improved a great deal as earlier I could only concentrate for half an hour's time but now I can concentrate for 4 hours together at a stretch without any kind of distraction.

**2. Increased Memory:**

I can now memorize whatever I learn much faster than before as I have learnt a part of a holy Quran at a much faster speed than I used to earlier. It used to take me 60 minutes to learn five lines of a page but now I can do that in just 15 minutes.

**3. Sharper Intelligence:**

Earlier I use to think that I cannot learn a certain part of my syllabus. After joining Express Learning, I have learnt and also appeared for the exam and passed in flying colours due to my sharper intelligence.

**4. Better Mathematics:**

I have improved a great deal in my mathematics as I can understand better than before and can calculate much faster than before. Earlier I use to get 15 or 16 out of 20 in my Mathematics test but now I get full marks almost all the time.

**5. Deeper Focus:**

I can now focus on English, Marathi and Mathematics much better than before as until now I found it difficult to do it.

**6. Increased Confidence:**

Earlier I use to feel that I cannot study my whole syllabus together but now I feel that I can do it due to my increased confidence.

**7. Higher level of interest:**

I now feel interested in studying much more than before due to which I scored an A grade in all my exams. Earlier I used to get a D grade.

**8. More Active and Participative:**

I now feel like I can participate and do all the activities in my school. Earlier even if I would get selected for an event I would feel that I will not be able to do it but now I have become so good at it that recently I won the third prize in a competition.

**9. Less in bad mood:**

Earlier I used to feel like I don't want to go to school anymore but now due to my control over my bad mood I feel like I am very excited to go to school every day.

**10. Better Academics:**

Earlier I use to get a C or D grade in my examinations but now recently I scored 90% and got an A grade result and stood second rank in my class.

**11. Improved music:**

I can now remember more verses of what I sing due to my improved skills in music.

**12. Greater Interpersonal Skills:**

Previously I could not speak to new people for a long time but now I can do that without any hesitation.

**13. Heightened observation:**

I can now observe very minute things properly which I use to miss out earlier.

**14. Enhanced intuition:**

I felt that my teacher will take the dictation test on the next day and I went prepared for it and it actually happened in reality. I scored full marks in it as a result.

**15. Stress free studies:**

Before this training, I use to take a lot of stress in studying for my exams but now my stress has completely gone and I am very relaxed before my examination. The same thing happens when I am playing a competitive game with my friends.
