(Hasanat High School, Marol)

- 1. Increased Memory:**
I can now memorize much faster than before and can also retain whatever I have learnt. Earlier this was not possible.
- 2. Richer Language:**
I can now speak English much more fluently than I could earlier as my grammatical mistakes have reduced drastically.
- 3. Improved Concentration:**
Earlier I faced a lot of difficulty in concentrating continuously at a stretch. After coming for this training, I can do things without getting distracted.
- 4. Sharper Intelligence:**
Recently my teacher asked random questions about Geography and I was the only one out of my entire class who answered most of them correctly.
- 5. Better Mathematics:**
I can now calculate better than before as my mental mathematics has improved a great deal.
- 6. Fast Reading Speed:**
I can now read faster than I could earlier and therefore I can finish my studies faster than before.
- 7. Deeper Focus:**
I can now focus better than before as earlier it was difficult for me to do the same.
- 8. Increased Confidence:**
I recently appeared for the oral exam of memorizing the Holy Quran and I felt that I was 99% confident in appearing for it but earlier I would be very nervous and would also forget things due to that.
- 9. Higher Level of Interest:**
I am now much more interested in my studies than I was earlier. Previously I used to feel bored while studying.
- 10. Better Sports:**
I can now play table tennis better than before as my overall game has improved.
- 11. Quicker Learning:**
Recently I learnt 20 pages from the Holy Quran in just one month. I have never memorized so quickly before. This training has helped me absorb information very fast.
- 12. Heightened Observation:**
I can now observe small things precisely which I used to miss out before.

13. Expanded Self Esteem:

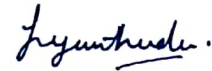

I now feel that I can do it though it is difficult but earlier I use to feel like giving up and would always stop trying. This positivity has come in me in all different situations and it really makes me feel good.

14. Enhanced Intuition:

I recently felt that it is not the rainy season but it will still rain and it actually happened that way one day.

15. Better Control of Emotions:

Earlier I use to get angry very fast but now I can control my emotions and therefore I do not get angry very frequently.
