

## Aisha Lavangia Testimonial

(Christ Church)

**1. Quicker Learning:**

Earlier it use to take me almost 2 hours to learn a chapter which was very small but now I can learn a big chapter in half an hour only due to my faster grasping power.

**2. Improved Behaviour:**

I used to talk very rudely with other people and they would not like me but now I have become very polite therefore I am like by all.

**3. Better Attitude:**

I have become more positive towards people as earlier I would be negative towards them and feel jealous but now everything has completely changed due to my improved attitude.

**4. Improve Concentration:**

I can now concentrate much more on my studies then I use to do before as earlier in two and a half hours I would study for half an hour and use my mobile for two hours but now I study for 2 hours and use my mobile for half an hour. Everything has completely changed due my improved concentration.

**5. Expanded Memory:**

I can now memorize 4 chapters at one shot even if they are of 10 pages each, earlier this was not possible at all.

**6. Sharper Intelligence:**

I have become more intelligent than before as recently I went to a higher class to give my project to my teacher and she was asking the class a question, I knew the answer and instantly gave it the entire class was shocked but I felt very good.

**7. Better Mathematics:**

I was studying Geometry and I realized that I could solve all the sums of a chapter in which my teacher had solved only one sum due to my improved Mathematics.

I can now understand mathematics much better than before as I can even solve the sums faster than I could earlier as my mental maths has become very quick.

**8. Richer Language:**

I can now speak and even write English Hindi and Marathi more fluently then I could do before. Earlier I scored 6 out of 20 in my Hindi test but recently I scored 17 out of 20 which is a vast

improvement I have got in languages. I also scored 19 out of 20 in my recent Marathi test which is much more than I scored earlier.

**9. Faster Reading Speed:**

I can now read a novel of 250 pages in 4 days itself earlier I used to take three to four weeks for the same novel. I have also developed interest in reading as I did not read novels earlier but after coming to this class I have started doing it.

**10. Deeper Focus:**

I can now focus more on my studies in the class as earlier my teacher used to throw a chalk at me as I would be continuously looking out of the window.

**11. Increased Confidence:**

I recently sang very confidently on the stage in a competition though I had some issues with my voice. The teacher who use to judge me said that previously you would shiver while singing but today you sang with full confidence without shivering that is a great improvement in you.

**12. Higher Level of Interest:**

Earlier I used to hate studying Mathematics but after coming to Express Learning I really enjoy the subject. I also enjoy studying Geography now due to which I scored 16 out of 20 which is much more than I use to score earlier.

**13. More Active Cheerful and Participative:**

Earlier I had stopped participating in any sports but now I have recently joined gymnastics and football as I have become more active and participative.

**14. Better Academics:**

In the previous year I scored 69% in my examination but recently I scored a staggering 89% which is an increase of 20%. I use to score 8 to 10 marks in my 20 mark test earlier but now I score between 18 and 20 in the test which is a great improvement.

**15. Better in Sports:**

I can now play the game of football much better than before. Earlier I could not take and kick the ball the way I can do it right now after joining Express learning.

**16. Higher Creativity:**

I can now draw much better than before in my art class as recently I scored an A+ in the art examination.

**17. Better in Music:**

Earlier when I used to sing in my music class my teacher use to tell me that I should join some private training in music but now after joining Express learning my singing has improved to a great extent and recently my teacher told me that I have such a beautiful voice and I sing so well.

**18. Better Control of Emotions:**

Earlier I use to hit anyone who troubled me. Now I have that control over my emotions and therefore I just ignore them and walk away.

**19. Great Interpersonal Skills:**

I now talk to people much better than the before especially along with my close friends.

**20. Heightened Observation:**

Recently when I went to Shimla, I observed that something was burning in my neighbour's house which had actually caught fire and nobody else could observe this in my house.

**21. Expanded Self Esteem:**

Earlier I use to feel that I am so fat and ugly but now I feel that I am good the way I am due to my expanded self-esteem.

**22. Stress Free Studies:**

Earlier I use to feel stressed out even though I had studied everything for the examination. Now I feel stress free during examination after joining Express Learning.
